PROFESSIONAL SUMMARY

Freelance/contract WordPress developer with 10+ years experience building WordPress websites, possessing a proven track record of successfully completed projects. Recent clients: NHS, Brown-Forman, BMA Law, CH & CO.

Full portfolio: pinegreen.co.uk.

WORK HISTORY

Web Developer 06/2022 - 10/2022
Diva Creative

Sole developer for the successful rebuild of the Wellbeing Hub - a mental health support service used by 80,000 NHS staff. Responsibilities were:

- Front-end development using TailwindCSS
- Back-end development with Sage WordPress starter theme
- Content management with Gutenberg/ACF

Head of Web Development 05/2020 - 06/2022
Patch Marketing

Responsible for strategy, design and development on all web projects. Successfully grew the web team into a highly efficient and effective department. Responsibilities included:

- Managing a remote development team of 3
- Planning projects and ensuring success of each one
- Communicating with key stakeholders throughout projects

Web Developer 01/2018 - 05/2020
Nine Dot Media

Mid-level web developer role, working on responsive front-ends and WordPress theme development.

Web Developer 07/2016 - 01/2018
Airship Services

My responsibilities here were mainly backend (PHP) development of web based mechanics and applications as well as configuration and usage of ExpressionEngine CMS.

Director & Web Developer 07/2012 - 07/2016
Pinegreen

I established Pinegreen shortly after graduating university. In its first incarnation, we operated as a typical agency, working mainly with SME's in the South Yorkshire area. I have retained the pinegreen.co.uk domain which I still use for my freelance portfolio.

EDUCATION

Bachelor of Science: Web Information Systems & Services, 05/2012
Sheffield Hallam University - Sheffield
